Forecast for Wednesday 16 Jun 2021

Weather: Light rain and drizzle through the night will clear early in the morning. Staying quite cloudy through the day. Perhaps some brightness by late evening.

Chance of cloud free mountain/hill tops above 700m: 30% in the early morning improving to 60% by mid morning with the rain and cloud clearing south, 90% later in the evening as cloud clears.

Visibility: Extensive low cloud above 400m as the frontal rain moves south overnight. Visibility will be quite poor on the hills in the rain and drizzle and with low cloud navigation will be tricky. Visibility will improve and cloud will clear in the morning and for the rest of the day.
